

TERMS OF USE

Please read this document carefully.

If you do not agree to all of the following terms, you may not use or access the services in any manner.

Welcome to Sioutek. Please read on to learn the rules and restrictions that govern your use of our website(s), products, services and applications (the “Services”). If you have any questions, comments, or concerns regarding these terms or the Services, please contact us at support@sioutek.com.

These Terms of Use (the “Terms”) are a binding contract between you and Sioutek (“Sioutek”, “Siou”, “we” and “us”). You must agree to and accept all of the Terms, or you don’t have the right to use the Services. Your using the Services in any way means that you agree to all of these Terms, and these Terms will remain in effect while you use the Services. These Terms include the provisions in this document, as well as those in the Sioutek Privacy Policy

Basic Use

You may be required to sign up for an account, and select or provide a password or other authentication and user name or email address (“Siou User ID”). You promise to provide us with accurate, complete, and updated registration information about yourself. You may not select as your Siou User ID a name that you don’t have the right to use, or another person’s name with the intent to impersonate that person. You may not transfer your account to anyone else without our prior written permission.

You represent and warrant that you are of legal age to form a binding contract (or if not, you’ve received your parent’s or guardian’s permission to use the Services and gotten your parent or guardian to agree to these Terms on your behalf). If you’re agreeing to these Terms on behalf of an organization or entity, you represent and warrant that you are authorized to agree to these Terms on that organization or entity’s behalf and bind them to these Terms (in which case, the references to “you” and “your” in these Terms, except for in this sentence, refer to that organization or entity).

You will only use the Services for your own internal, personal, non-commercial use, and not on behalf of or for the benefit of any third party, and only in a manner that complies with all laws that apply to you. If your use of the Services is prohibited by applicable laws, then you aren’t authorized to use the Services. We can’t and won’t be responsible for your using the Services in a way that breaks the law.

You will not share your account or password or other authentication with anyone, and you must protect the security of your account and your password. You’re responsible for any activity associated with your account.

Your use of the Services is subject to the following additional restrictions:

You represent, warrant, and agree that you will not contribute any Content or User Submission (each of those terms is defined below) or otherwise use the Services or interact with the Services in a manner that:

- (a) Infringes or violates the intellectual property rights or any other rights of anyone else (including Sioutek);
- (b) Violates any law or regulation;
- (c) Is harmful, fraudulent, deceptive, threatening, harassing, defamatory, obscene, or otherwise objectionable;
- (d) Jeopardizes the security of your Siou account or anyone else's (such as allowing someone else to log on as you on the Services);
- (e) Attempts, in any manner, to obtain the password, account, or other security information from any other user;
- (f) Violates the security of any computer network, or cracks any passwords or security encryption codes;
- (g) Runs Maillist, Listserv, any form of auto-responder or "spam" on the Services, or any processes that run or are activated while you are not logged into the Services, or that otherwise interfere with the proper working of the Services (including by placing an unreasonable load on the Services' infrastructure);
- (h) "Crawls," "scrapes," or "spiders" any page, data or portion of or relating to the Services or Content (through use of manual or automated means);
- (i) Copies or stores any significant portion of the Content and/or share, post or distribute any significant portion of the Content elsewhere;
- (j) Decompiles, reverse engineers, or otherwise attempts to obtain the source code or underlying ideas or information of or relating to the Services.

A violation of any of the foregoing is grounds for termination of your right to use or access the Services.

Sioutek

The materials displayed or performed or available on or through the Services, including, but not limited to, text, graphics, data, articles, photos, images, illustrations, User Submissions, and so forth (all of the foregoing, the "Content") are protected by copyright and/or other intellectual property laws. You promise to abide by all copyright notices, trademark rules, information, and restrictions contained in any Content you access through the Services, and you won't use, copy, reproduce, modify, translate, publish, broadcast, transmit, distribute, perform, upload, display, license, sell or otherwise exploit for any purpose any Content not owned by you, (i) without the prior consent of the owner of that Content or (ii) in a way that violates someone else's (including Sioutek's) rights.

You understand that Sioutek Ltd owns the Services. You won't modify, publish, transmit, participate in the transfer or sale of, reproduce (except as expressly provided in this Section), creative derivative works based on, or otherwise exploit any of the Services.

Sioutek Services Changes

We're always trying to improve the Services, so they may change over time. We may suspend or discontinue any part of the Services, or we may introduce new features or impose limits on certain features or restrict access to parts or all of the Services. We'll try to give you notice when we make a material change to the Services that would adversely affect you, but this isn't always practical. Similarly, we reserve the right to remove any Content from the Services at any time, for any reason (including, but not limited to, if someone alleges you contributed that Content in violation of these Terms), in our sole discretion, and without notice.

Siou Termination

You're free to do that at any time, by contacting us at support@sioutek.com; please refer to our Privacy Policy to understand how we treat information you provide to us after you have stopped using our Services.

Sioutek is also free to terminate (or suspend access to) your use of the Services or your account, for any reason in our discretion, including your breach of these Terms. Sioutek has the sole right to decide whether you are in violation of any of the restrictions set forth in these Terms.

Account termination may result in destruction of any Content associated with your account, so keep that in mind before you decide to terminate your account. We will try to provide advance notice to you prior to our terminating your account so that you are able to retrieve any important User Submissions you may have stored in your account (to the extent allowed by law and these Terms), but we may not do so if we determine it would be impractical, illegal, not in the interest of someone's safety or security, or otherwise harmful to the rights or property of Sioutek.

Provisions that, by their nature, should survive termination of these Terms shall survive termination. By way of example, all of the following will survive termination: any obligation you have to pay us or indemnify us, any limitations on our liability, any terms regarding ownership or intellectual property rights, and terms regarding disputes between us.

Terms of Use Changes

We are constantly trying to improve our Services, so these Terms may need to change along with the Services. We reserve the right to change the Terms at any time, but if we do, we will bring it to your attention by placing a notice on the foundersnetwork.com website, and/or by sending you an email and/or by some other means.

If you don't agree with the new Terms, you are free to reject them; unfortunately, that means you will no longer be able to use the Services. If you use the Services in any way after a change to the Terms is effective, that means you agree to all of the changes.

Except for changes by us as described here, no other amendment or modification of these Terms will be effective unless in writing and signed by both you and us.

PRIVACY POLICY

Please read this document carefully.

Your Privacy Matters to us.

Sioutek pays attention to your personal data. Please read our Privacy Policy, in order to be aware of the information that Sioutek Ltd (“Sioutek Ltd”, “Siou”, “we”, “us”) collect about users of the Siou mobile application and related website (“Sioutek”, the “Service”), how we use that information and with whom we share it. Using the application means you agree with our Privacy Policy. We may modify this Privacy Policy from time to time, and if we make material changes to it, we will post a revised Privacy Policy on this page and indicate the date of the most recent change on top of this document. If you object to any changes, you may close your account. Continuing to use Siou after we updated this Privacy Policy page means that you are consenting to the changes.

Collecting Information

Sioutek collects personal information when you install or register with Siou and when you use Siou products or services. For example, through the registration process and/or through your account settings, we may collect Personal Information such as your name, email address, phone number, location information, unique device identifier, and third-party account credentials (for example, your log-in credentials for Facebook or other third party sites). If you provide your third-party account credentials to us, you understand some content and/or information in those accounts (“Third Party Account Information”) may be transmitted into your account with us if you authorize such transmissions, and that Third Party Account Information transmitted to our Services is covered by this Privacy Policy; for example, if you provide us account information about your Facebook account, we will be able to access your basic information on Facebook. Certain information may be required to register with us or to take advantage of some of our Services or features.

Whenever you interact with our Services, we automatically receive and record information on our server logs from your device, such as your GPS location (including latitude and longitude), alarm settings, connects or disconnects to a wi-fi network, IP address, unique device identifier, Bluetooth devices and other devices used or connected to your device, application installations/uninstallations and openings, actions taken using the Services, battery levels, phone locked/unlocked, audio cable plugged/unplugged, and the page or feature within the Service that you requested. We use this information to personalize Siou service for you.

We may communicate with you if you’ve provided us the means to do so. For example, if you’ve given us your email address, we may send you promotional email offers on behalf of other businesses, or email you about your use of the Services. This confirmation helps us make our communications with you more interesting and improve our services. If you do not want to receive communications from us, please indicate your preference by emailing us at support@sioutek.com.

We also use this data in aggregate form, and not in a manner that would identify you personally, in order to optimize the Services generally. For example, aggregated data can tell us how often users use a particular feature of the Services, and we can use that knowledge to make the Services interesting to as many users as possible.

Personal Information Sharing

We neither rent nor sell your Personal Information in personally identifiable form to other people or non-affiliated companies except to provide products or services you've requested, when we have your permission or under the following circumstances:

We may anonymize your Personal Information so that you are not individually identified, and provide that information to our partners. We may also provide aggregate usage information to our partners, who may use such information to understand how often and in what ways people use our Services, so that they, too, can provide you with an optimal online experience. However, we never disclose aggregate information to a partner in a manner that would identify you personally, as an individual.

In certain situations, businesses or third party websites we're affiliated with may provide products or services to you through or in connection with the Services (either alone or jointly with us). You can recognize when an affiliated business is associated with such a transaction or service, and we will share your Personal Information with that affiliated business only to the extent that it is related to such transaction or service. We have no control over the policies and practices of third party websites or businesses as to privacy or anything else, so if you choose to take part in any transaction or service relating to an affiliated website or business, please review all such businesses' or websites' policies. We employ other companies and people to perform tasks on our behalf and need to share your information with them to provide products or services to you.

We may choose to buy or sell assets. In these types of transactions, customer information is typically one of the business assets that would be transferred. Also, if we (or our assets) are acquired, or if we go out of business, enter bankruptcy, or go through some other change of control, Personal Information could be one of the assets transferred to or acquired by a third party.

We reserve the right to access, read, preserve, and disclose any information that we reasonably believe is necessary to comply with law, subpoena or court order; enforce or apply our Terms of Use and other agreements; investigate, prevent or take action regarding illegal activities or suspected fraud; or protect the rights, property, or safety of Sioutek, our employees, our users, or others.

Security of Personal Information

Your account is protected by a password or other authentication for your privacy and security. You must prevent unauthorized access to your account and Personal Information by selecting and protecting your password or other authentication appropriately and limiting access to your computer or device and browser by signing off after you have finished accessing your account.

We endeavor to protect the privacy of your account and other Personal Information we hold in our records, and we have physical, electronic and procedural safeguards that comply with federal regulations to protect personal information about you.

Personnal Information Deletion

You may request deletion of your Personal Information by emailing support@sioutek.com. Aggregated information may remain in our records after deletion of such Personal Information from your account. We may use any aggregated data derived from or incorporating your Personal Information after you update or delete it, but not in a manner that would identify you personally.

Privacy Policy Changes

We're constantly trying to improve our Services, so we may update this policy. We will notify you about significant changes in the way we treat personal information by sending a notice to the email address you have provided or by placing a prominent notice on our site.

Privacy Policy Questions

If you have any questions or concerns regarding our privacy policies, please send us a detailed message to support@sioutek.com, and we will try to resolve your concerns.
